

The Mailbox Club

Mission Statement

“To win the children and young people of the world to Christ, and help nurture them into spiritual maturity through Bible correspondence courses and into local churches. This is accomplished through direct ministry and by multiplying our efforts through key partnerships and the Body of Christ around the world.”

Vision

The Mailbox Club facilitates translation, production and distribution of Mailbox Club lessons around the world for people of all ages, with particular emphasis on children and young people.

We reach many more children effectively by teaming up with strategic partners (which includes the local church). We support our ministry partners by adequately training them and sharing the best practices we have learned from 45 years of follow-up ministry.

Our vision is to reproduce thousands of “mailbox clubs” around the world, by way of the distribution of curriculum through key ministry partners who share our calling to reach and disciple the children of the world for Jesus Christ.
